

Report on Free Cataract

identification camp in

Kolaghat

Dated: 13th June, 2010, Sunday

2010 6 13

Rotary Club of Bhawanipore sponsored a Free cataract identification camp at Kolaghat coordinated by Kolaghat Development Council and conducted by Eye Care Hospital. Though the day was experiencing heavy monsoon rains villagers from poor families gathered for a check up crossing over 130 patients. Out of this huge turnout 38 were identified as patients of cataract for free operation sponsored by Rotary club of Bhawanipore organized by Kolaghat Development Council ,An- adhoc committee of Institute of International Social Development , and conducted by Eye Care Hospital of Kolkata.

The venue was Deulia High School in Kolaghat near the High way leading to the Management town of Kharagpur.It was approximately 80km from Kolkata in the district of East Midnapore of West Bengal state in India.
